

USEFUL INFORMATION FOR THE PORT OF TARRAGONA

A reception area will be set up for Costa Cruceros passengers who board in Tarragona. This meeting point will be located in the Port Tarraco marina (Google Maps: Escales Reials, Moll de Costa). GPS coordinates: Latitude: 41.108618 / Longitude: 1.249330. 

Check your cruise reservation for your boarding time. You will be able to board the ship after that time.

If you arrive before the specified time, Costa Cruceros can help you with pre-check-in at the reception area and transfer your bags to the ship, so you can take advantage of your time and visit the city before boarding.

Vehicle access:

- **Private vehicles:** These are not allowed on the quay. Please go to the reception area where a free shuttle will be provided to take you to the cruise ship (during the boarding time established by Costa Cruceros). You will find additional information about the nearest car park in the section “How to get to the Port of Tarragona”.
- **Taxis:** Taxis are allowed access all the way to the cruise ship without having to pass through the reception area, starting at the boarding time specified by Costa Cruceros on your reservation.
